ABOUT THE MISSION

Background

The 2021/2022 mission is a church project organized to reach out the community around Kinoo SDA church. Each department in the church is to sponsor the mission for a season: 3 months to be precise.

As the youths, we took the initiative to make the most of this season for a reason: the greatest need of the church is a true revival. Thus as we would have an inreach run parallel to the outreach.

The Structure

The mission structure is an IOM:
an Inreach-Outreach Mission.
As a double edged sword, We
hope to reach souls without, and
enrich souls within the church.

The medium

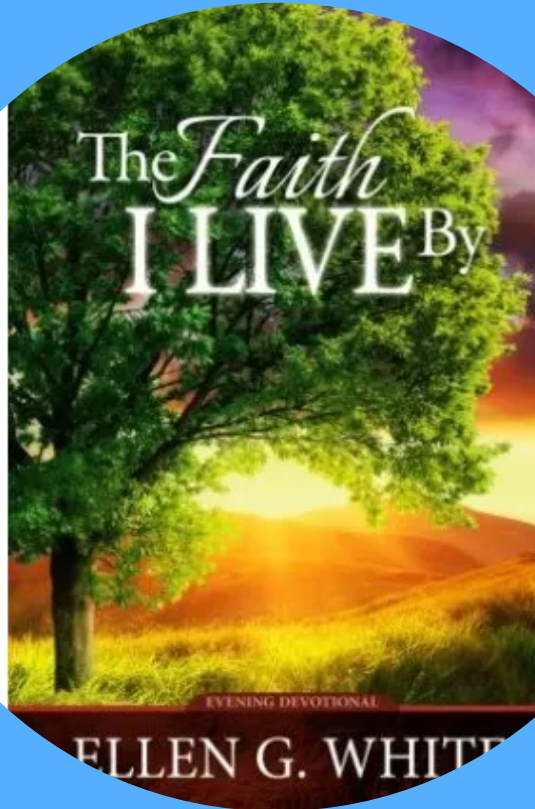

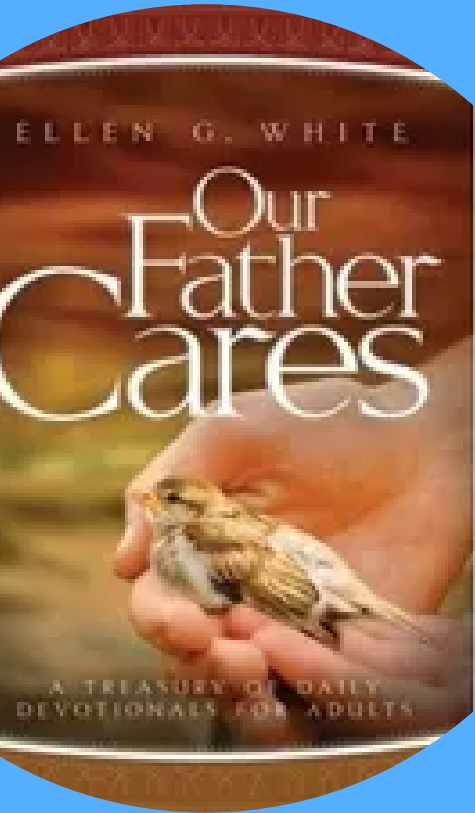

The church shall be used to
conduct prophecy through our
speakers. Two social media
platforms shall be mainly used
for the inreach program:
Whatsapp and Google Meet
